I would like to congratulate our Stage 3 students and teachers on their successful Camp last week. Stage 3 had a wonderful time, having new experiences, challenging themselves, working together and building a team environment; all things that are important attributes to being a successful student. I personally attended the camp on Thursday and spent several hours with everyone. I was so impressed by the behaviour and attitude of our students. This was confirmed by our guides who said that our school was the best behaved group that they had at Cataract in a long time. Well done to everyone for being wonderful representatives of our school.

As mentioned in last week’s newsletter, our Skoolbag App is now available. I am glad that already 20 parents have downloaded the App to their iPhone. While there is still a lot to do with organisation and uploading information, this is a great start. We even had our first “Sick Note” sent via Skoolbag. Well done to Madelyn’s mum in Kinder who was first to use this App to submit her absence. While it was sad to hear Madelyn was unwell, it was great to see that this aspect of the App is working correctly!

On Friday, your child’s Semester 1 report was sent home. For staff, this is a culmination of months of work and I congratulate them on their professional approach in ensuring the reports were completed and distributed in a timely manner. I personally read through all 168 reports and feel very confident that teachers have made correct professional judgements on students and their achievement. It was especially enjoyable reading the General Comments, seeing areas where our students are excelling as well as areas for improvement. I would encourage parents who would still like to meet with their child’s teacher to fill in the “Parent / Teacher Interview” sheet and return it to your child’s teacher. Meetings will be held on Tuesday and Wednesday of Week 10 between 3:00pm and 5:00pm.

This Wednesday marks our School Athletics Carnival Day at Beaton Park. This is an important date in all annual school calendars and we look forward to a fantastic day. Attached to this newsletter is an outline of the day (in case you have the opportunity to pop over and watch your child compete). It will be a very busy day, but we are all very excited by the prospect of competing at such a great venue. I would again encourage any parents in a position to assist on the day to let the office know, as they say... “Many hands make light work!”

Have a fantastic Week 9!

NO PARKING IN THE STAFF CAR PARK!

Last week, it was reported to me by a concerned parent, that many parents are driving into the staff car park in the mornings and afternoons to drop off their children. This is very concerning.

I ask that all parents park in the designated areas to ensure the safety of students, staff and parents during these busy times.

SCHOOL BANKING

BANKING DAY IS EVERY FRIDAY!!

SCHOOL PHOTOS

School Photo packs have today been sent home with your child. School Photos will take place on Wednesday, 29th July 2015.

Please do not send your School Photo money to the office. Money is to be sent with your child on the day of photos and can be handed directly to the photography company.

**STAGE 3 CAMP**

Year 5 and Year 6 went to Cataract Scout Park last week from Wednesday, 10th June to Friday, 12th June. Everyone had a wonderful time and discovered the true meaning of teamwork! Camp leaders were very impressed at how our students pushed their limits and tried new things. Mrs Veljanovski and Mr Humphery would like to thank all the students for a fantastic camp experience!

**CORRIMAL LIBRARY DISPLAY**

As a way of promoting our school, especially in its 125th year, the P&C booked the display cabinet located at Corrimal Library. Today, our P&C President, Lenora, filled the cabinet with a range of photos (old and new) and memorabilia that is a wonderful reflection of our school. The display will be available for viewing for the next four weeks. I encourage everyone to get down to Corrimal Library to see this wonderful display!
SCHOOL BANKING HELPER NEEDED!

We are seeking another parent helper to assist with the school banking program. The position will require about roughly an hour or two of your time. If you are interested or require more detail of what is involved please see kindy mums, Karen B or Renae A. You can also leave your name at the school office or email cpsnsw.pandc@gmail.com

FROM THE UNIFORM SHOP...

Stock Clearance Sale!
All of our Grey track pants (from sizes 4-16) are now $8 each; that’s 50% off their original retail price! Hurry now and grab a bargain before the end of term or stock runs out.

Second Hand Clothes: Does your child need an extra jacket or tunic but the cost of a new one doesn’t quite fit into your monthly household budget? Come and check out our shop’s second hand section. It stocks a limited range of good quality second-hand garments for only $2. Now that’s a bargain!

The uniform shop is open every Tuesday morning (8:45am-9:15am) and Friday afternoons (2:45pm-3:15pm). If you are unable to attend at these times you can also place an order (to be delivered to your child’s classroom) using our order form; available to download from the school’s website or grab a copy outside our shop’s entrance.

P&C MEETING – 14th July

Our next P&C Meeting will be Tuesday 14th July at 6pm in the School Administration Building (enter via Wilga St driveway). Everyone is welcome!

If you have a fundraising idea or other issues you’d like the P&C to consider and you can’t make it in person on the night, we’d still love to hear from you. You can leave a note at the office or email us at cpsnsw.pandc@gmail.com with a brief explanation of your ideas.

FREE CHILDREN’S FOOT SCREENING

As a Parent, What can you look out for?

Skin – Areas of redness, rashes, blisters on the back of the heel and on the tops of the small joints of the toes.

Nails – Inflammation around the nails should always be taken seriously.

Foot Deformities – Toes should be straight in line with the foot and not drawn back or curled, particularly, the big toe should always be straight.

Posture – The feet should not appear excessively turned in or out, or the arch very flat, particularly, if the child complains of pain.

Setting Strong Foundations for Life

Maintaining and caring for a child’s feet will benefit their health, mobility and wellbeing throughout their entire lives. Here at Corrimal Podiatry, we are very committed to promoting, raising awareness and educating our young people and parents about the importance of good foot health.

During a child’s development, the foot can be at risk from injury and deformity due to ill-fitting footwear, overuse, growth, weight gain and postural changes.

Working with thousands of clients per year and being parents ourselves, we at Corrimal Podiatry have developed unique insights into the problems parents face around getting their children’s feet checked.

1. You’re not sure what is normal, what they will grow out of and what needs treatment.

(Continued over Page)
2. You might put off getting an assessment or treatment due to fear of what it will cost (especially if they don’t really need it)
3. You might not understand how foot conditions or “funny” walking styles can impact your child’s development, future health or even their ability to excel at physical activities or sports.

At Corrimal Podiatry we are experts in all things feet, including foot posture and foot movement issues. We specialise in preventing or correcting deformity and maintaining normal mobility and function.

It would be our pleasure to put your mind at ease with any concerns you have for your little ones feet, lower limbs, walking style, footwear or even skin and nail conditions.

We offer a **Free 5-10 minute basic foot health check** that is designed to identify and highlight any foot or lower limb issues or concerns with your children’s feet.

We then let you know how any identified issues may affect your child in the short, medium or even long term as well as set a clear plan of action and advice around what treatment options are available and any costs that may be associated with treatment.

Failure to recognise and treat these commonly undiagnosed issues early can lead to long-term health and structural problems for your child. If you are a parent or guardian and have any concerns - for whatever reason - take this opportunity and book in for your child’s **Free Foot health check TODAY**.
